

ONE ROAD ONE WORLD

Tolling at Your Fingertips

Vivek Menon

IBTTA

TOLLING. MOVING SMARTER.

July 24-26, Boston, MA

INDIA

USA

Making highways faster, efficient and cashless.

No traffic jams. No pollution.
No looking for change money.
No long waits at toll booths.

The world's first interoperable, cashless,
toll payment system in a mobile app.

Go Cashless

Travel Anywhere

Plan with Transparency

Register Multiple Vehicles

Spend Less Time

HOW IT WORKS

- Download
- Register
- Route
- Pay & start

DOWNLOAD TOLLR

*Signup and setup your
wallet for payments.*

- Download
- Register
- Route
- Pay & start

REGISTER YOUR VEHICLE

You can register multiple vehicles of all types. If you don't own a vehicle, you can skip this step. When you make a trip, simply add the vehicle number of the cab or vehicle you're travelling in.

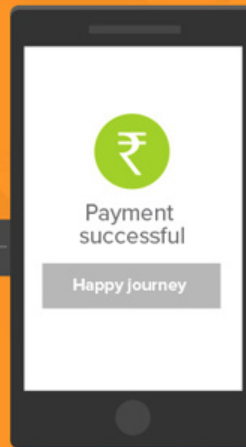

- Download
- Register
- Route**
- Pay & start

SELECT ROUTE

When you add a destination you get options on the routes you can take. You can then choose depending on the scenery or distance or number of tolls. The choice is yours.

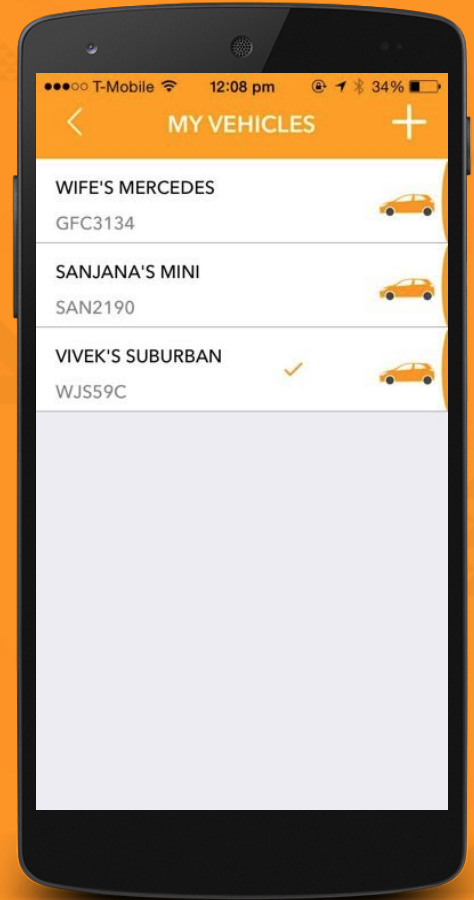

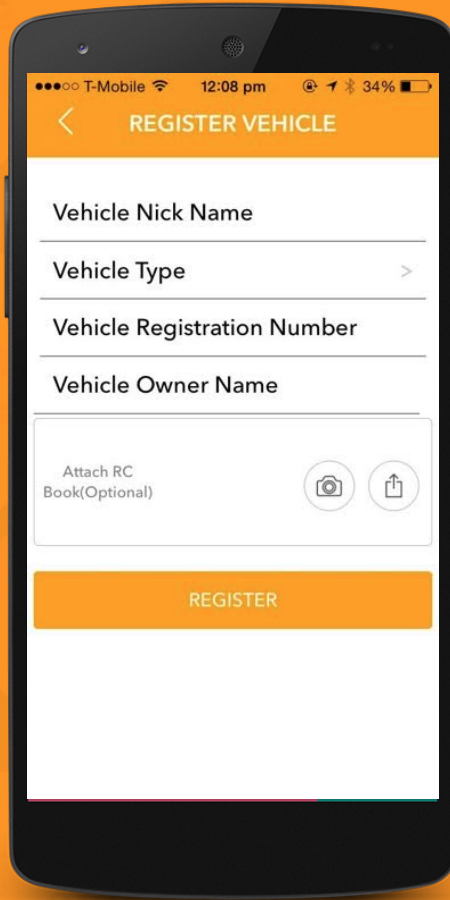

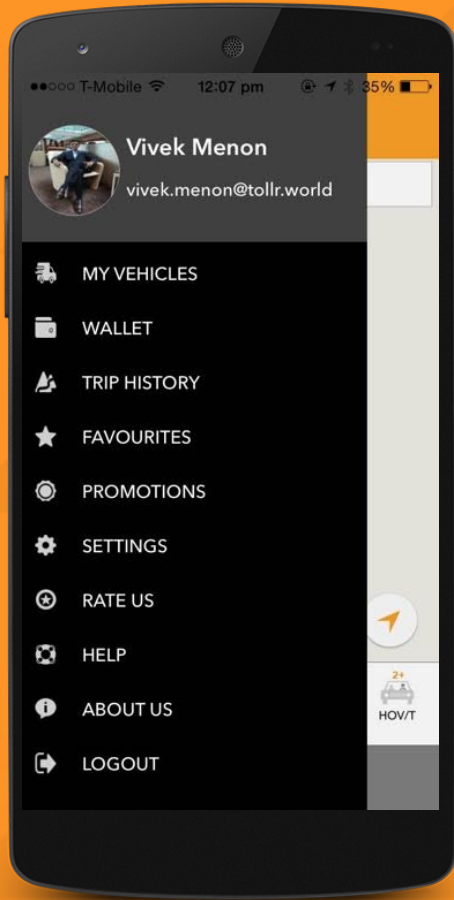

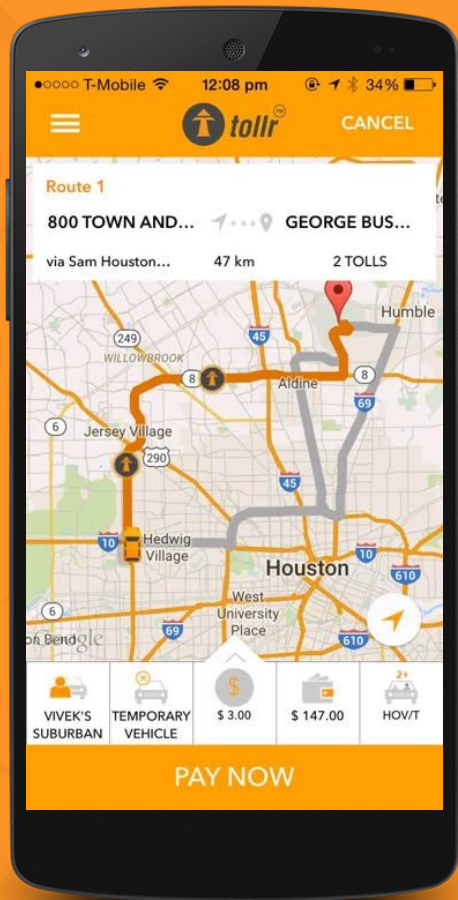

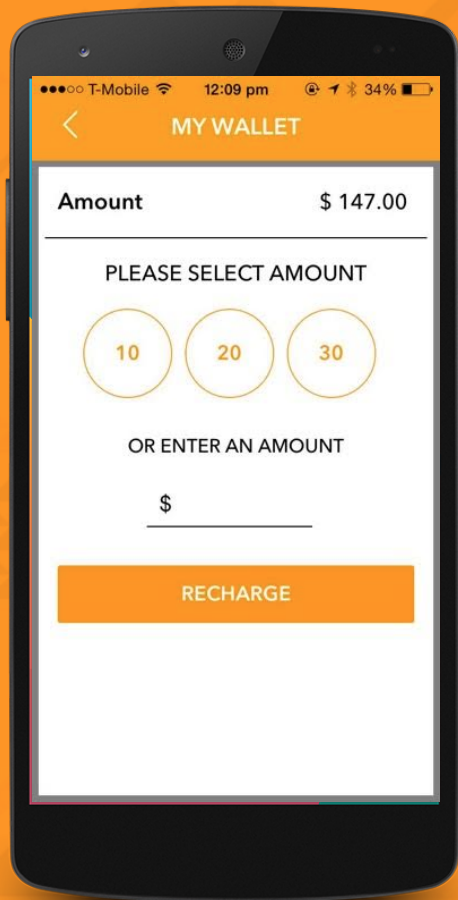

- Download
- Register
- Route
- Pay & start**

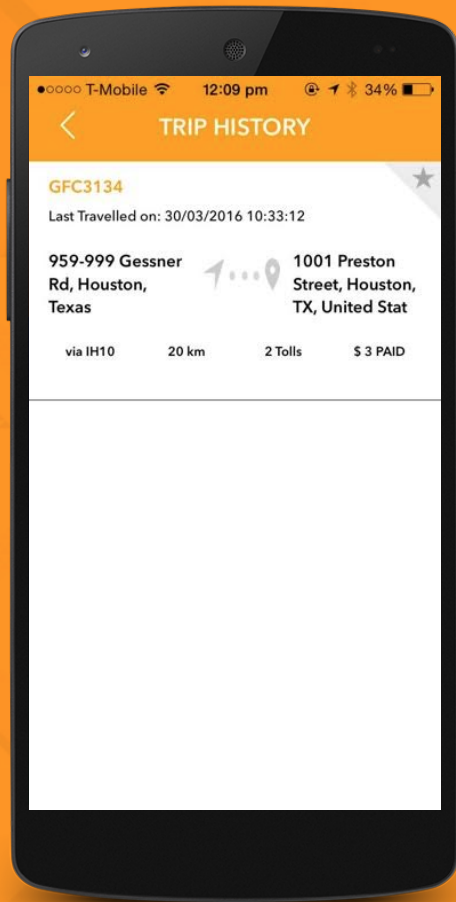

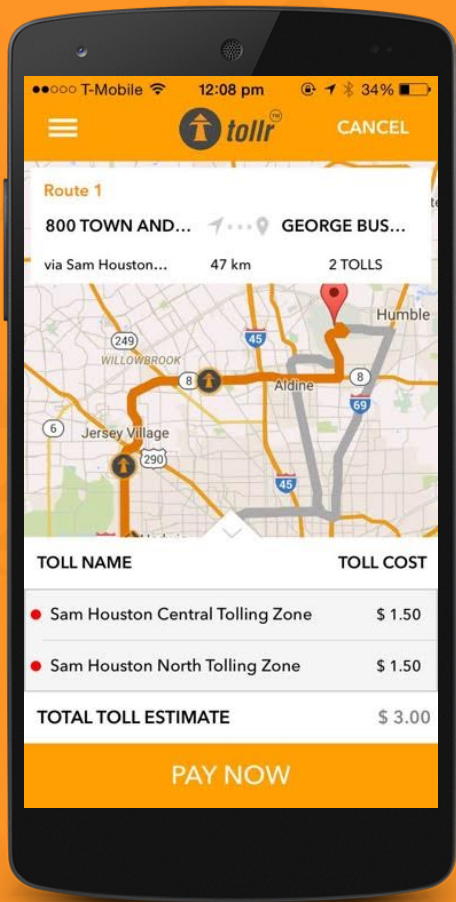

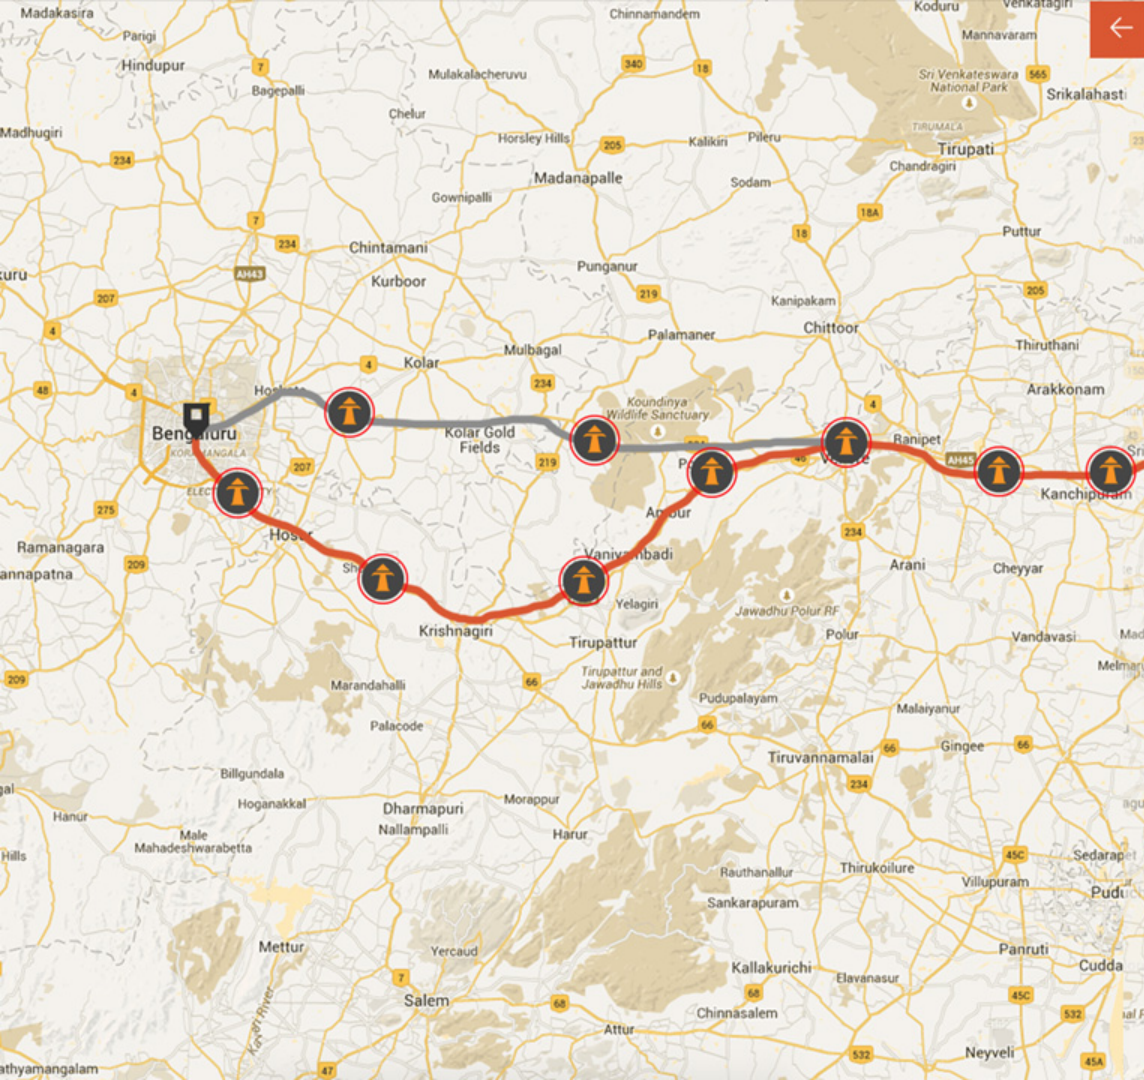

MAKE A PAYMENT

The amount gets deducted from your wallet. And the payment is updated at the respective toll booths for that calendar day.

Bangalore Car / Jeep / Van Chennai
Single trip Waypoints Go
