

“KAN” DO: A KANSAS EVOLUTION

Steve Hewitt, CEO
Kansas Turnpike Authority

60 Years of Solid Service

1955

Construction through the heart of the Flint Hills

1956

On opening day, October 25, 1956, 7,197 vehicles rolled onto Kansas' first toll road.

1995

The Turnpike implemented electronic toll collection in the form of K-TAG to save travelers time and money.

2016

Video enforcement of electronic lanes at three mainline toll plazas began.

Four Steps

1. Research
2. Planning
3. Buy-in
4. Implementation

The ultimate measure of a man is not where he stands in moments of comfort and convenience, but where he stands at times of challenge and controversy.

Martin Luther King Jr.
