IBTTA FOUNDATION ANNUAL SERVICE PROJECT BASTION VETERANS COMMUNITY

Sunday, May 21, 2017

8:00am – 4:00pm

Fee: \$50 per person (see page 11 – covers day of materials)

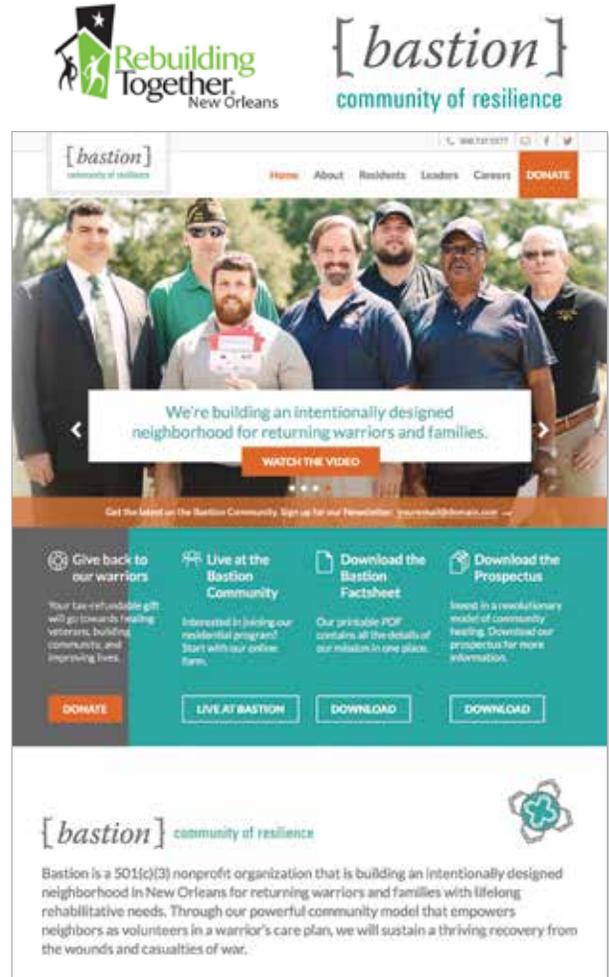

Grab your IBTTA friends, colleagues and families and get jazzed to return to the Big Easy! The IBTTA Foundation has chosen to head back to New Orleans for this year's service project, and it's a big one. Nine years ago we completed a post-Katrina home rebuild, but it's time to dig a little deeper. Strap your work boots on and get your gloves, because this year, in partnership with Rebuilding Together New Orleans and Bastion, we'll be focusing our efforts on a community serving disabled veterans, and we need your help!

With the support of the IBTTA team, we can bring Bastion, a nonprofit organization building an intentionally designed neighborhood for returning warriors and families with lifelong rehabilitative needs, a critical step closer to their goal of creating a holistic center with medical, mental health, legal, vocational and therapeutic assistance and programs. Through their strong community model, they empower neighbors as volunteers in a warrior's care plan, and sustain a thriving recovery from the wounds and casualties of war, but they can't do it without us.

In partnership with Bastion, Rebuilding Together New Orleans and local veteran volunteers, we'll focus on meaningful, skilled and exciting projects that will help this wellness center become the pinnacle of support in the Bastion community.

2008, New Orleans

IBTTA Service Day To Do List*

- Construct a "meditation grove"
- Build a "little public library" for community use
- Install a vertical herb garden adjacent to the community wellness center
- Transform a construction site into a community by planting sod, trees, bushes and plants
- Install pavers for paths between the sidewalks and the city street

*Contingent on fundraising efforts!
