

EXECUTIVE PROFILE

TIM STEWART

IBTTA International Vice President

Executive Director, E-470 Public Highway Authority

Tim has spent over 35 years working in the construction, engineering, and maintenance fields of which over 32 years was in the tolling industry with both the Oklahoma Turnpike Authority (OTA) and the E-470 Public Highway Authority (E-470 PHA). Prior to working in the tolling industry, he owned and managed his own residential construction company in Chickasha, Oklahoma.

Tim's tolling career began with OTA in 1984 where he held positions beginning in field maintenance and advancing to Director of Patron Services, Director of Maintenance, Director of Planning and Operations, and Deputy Director & Chief Operating Officer, a position held beginning in 2005. Tim was appointed Executive Director of OTA in April 1, 2013 and served in that role until January 31, 2016 when he was appointed as Executive Director of E-470 Public Highway Authority.

Tim has served IBTTA and its members through work on various committees before being elected to the IBTTA Board of Directors in 2014. Tim currently serves as the Association's First Vice President and is slated to become IBTTA's President in 2018.

Tim is a graduate of Oklahoma State University, OKC with a degree in Civil Engineering Technology.
