

The logo for the Central Florida Expressway Authority is centered in the upper portion of the image. It consists of the words "CENTRAL FLORIDA" in a black serif font, "EXPRESSWAY" in an orange sans-serif font, and "AUTHORITY" in a black serif font, all contained within a white rectangular box with orange horizontal bars above and below the text.

AUTHORITY**

The background of the slide is a photograph of a highway construction site at sunset. The sky is a mix of orange, yellow, and blue. In the foreground, there are large concrete bridge piers under construction, some with scaffolding. A tall crane stands in the middle ground. In the distance, a highway with traffic is visible under an overpass. A green highway sign for "Goldenrod Rd" is also visible.

WEKIVA PARKWAY

MARCH 29, 2018
WEKIVA PARKWAY
FIELD TRIP

Lyman High School Engineering Student Tour

Students will receive an onsite tour of new sections of the Wekiva Parkway construction project. This all school day, hard-hat tour will allow students to see construction sites, and efforts being done to protect the environment. Students will get hands-on experience with equipment and learn about the Wekiva River bridge construction and safety requirements with environmental and civil engineers and construction professionals.

Transportation and lunch will be provided. Waivers and sturdy, closed toe shoes required. Limited space, sign up early.
