IBTTA Announces 2013 Toll Excellence Award Winners

WASHINGTON – The [International Bridge, Tunnel and Turnpike Association \(IBTTA\)](http://www.ibtta.org), the worldwide transportation association representing toll facility owners, operators and the businesses that serve them, is proud to announce the winners of the 2013 Toll Excellence Award competition that recognizes excellence, innovation and achievement in the tolling industry.

“This year’s submissions were particularly innovative,” said Patrick D. Jones, Executive Director and CEO of IBTTA. “There were many great examples of operations, technology, customer service and social responsibility, which made it difficult for our judges to select among all the entries. The awards also play an important role in highlighting new ideas and emerging practices throughout the international tolling industry.”

The winners will receive their awards on Monday, September 23rd during [IBTTA’s Annual Meeting and Exhibition in Vancouver, British Columbia, Canada](#). During the awards ceremony, one winner will be selected to receive the prestigious President’s Award for Excellence.

The 2013 Toll Excellence Award categories and winners are:
